----------	---	----	---	----	----	-------	-----	---

							<u>2250</u>	
--	--	--	--	--	--	--	-------------	--

Blade of the Beast Slayer This artefact can only be used by Heroes. The Hero has Crushing Strength (2) when attacking large infantry, large cavalry, monsters or heroes who do not have the Individual special rule. If the Hero already has Crushing Strength, it is increased by 2 when attacking those same targets.

Blessing of the Gods The unit has the Elite special rule.

Breath Attack The unit has a ranged attack for which you roll (n) dice rather than the Attacks value of the unit. This attack has a range of 12" and always hits on 4+, regardless of any modifier. When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+ instead of 4+.

Brew of Strength The unit has Crushing Strength (1), or if the unit already has Crushing Strength, it is increased by 1.

Brutal When testing the Nerve of an enemy unit in melee with one or more of your units with this rule, add +1 to the total.

Crushing Strength All melee hits inflicted by the unit have a +(n) modifier when rolling to damage.

Elite Whenever the unit rolls to hit, it can re-roll all dice that score a natural, unmodified 1.

Headstrong Whenever the unit begins a turn Wavering, it rolls a die. On a 3+ it shrugs off the effects of Wavering and is Disordered instead.

Individual

Line of Sight Before being given an order, an individual may pivot to face any direction for free. Individuals never block line of sight or offer cover against ranged attacks.

Move Individuals have the Nimble special rule.

Shooting Individuals may pivot to face any direction for free before picking a target in the shooting phase. Enemies shooting against Individuals suffer an additional -1 to hit modifier.

Melee When charging an individual, a unit must make contact with the face that they started in as normal, however the Individual will turn to align flush with the unit's facing, rather than the unit aligning to the individual's facing. Enemies never double/treble their Attacks when fighting the individual. Similarly, the individual does not double/treble its own attacks when attacking an enemy in the flank/rear. It does still treble its attacks against war engines, however. If an individual is routed and the charger (including another individual) decides to advance D6" directly forward, it can make contact with another enemy unit. In melee, enemies treble their attacks when attacking War Engines with the Individual special rule.

Inspiring If this unit, or any friendly non-allied unit within 6" of this unit, is Routed, the opponent must re-roll that Nerve test. The second result stands.

Jar of the Four Winds The unit's 'normal' ranged attacks gain 12" to their range.

Maccwar's Potion of the Caterpillar The unit has the Pathfinder special rule.

Piercing All ranged hits inflicted by the unit have a +(n) modifier when rolling to damage.

Reload! The unit can fire only if it received a Halt order that turn.

Rifles Range: 24".

Thunderous Charge All melee hits inflicted by the unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any), however, the unit loses this bonus when Disordered and reduces this bonus by 1 when Hindered.

Vicious Whenever the unit rolls to damage, it can reroll all dice that score a natural, unmodified 1.

Wings of Honeymaze This artefact can only be used by a Hero with the Individual rule. The Hero has the Fly special rule and increases their speed to 10.
