Big Shield All attacks (ranged and melee) from enemies that are in the unit's front arc treat its defence as

Attack The unit has a ranged attack for which you roll (n) dice rather than the Attacks value of the unit. This attack has a range of 12" and always hits on 4+, regardless of any modifier. When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+

instead of 4+.

Brutal When testing the Nerve of an enemy unit in melee with one or more of your units with this

rule, add +1 to the total.

Crushing All melee hits inflicted by the unit have a + (n) modifier when rolling to damage. **Strength**

Drain Life 6" range. May target enemy units that are engaged in combat. Roll to damage as normal with

Piercing(1). If one or more points of damage are scored, choose either the caster or a single friendly non-allied unit with 6". Remove one point of damage from the chosen unit for each point of damage dealt to the target. If this is cast into melee, the target will not take a Nerve

test at the end of the Shoot phase.

Elite Whenever the unit rolls to hit, it can re-roll all dice that score a natural, unmodified 1.

Feeding Frenzy

In addition to its basic 4 attacks, this unit has a number of additional attacks equal to the amount of damage already on the unit it is attacking in Melee at the start of the Melee phase.

Fly The unit can move over anything (blocking terrain, enemy units, friendly units when charging,

etc.), but still cannot land on top of them. The unit does not suffer hindered charges for moving over difficult terrain or obstacles, unless it ends the move within or touching them. The unit also has the Nimble special rule. While Disordered, units lose the Fly special rule including the Nimble that it grants. If the unit has Nimble for a different reason (ie: Individual)

then they will remain Nimble while Disordered.

Formation: Formation must contain: Troll King's 2x Cave Trolls Horde 1x Cave Troll King[1]

Each unit in this formation is granted the Headstrong special rule.

Fury While wavered, this unit may declare a Counter-Charge.

Gift of (Unit may only have one of the Gift of Korgan.) Fury: While wavered, this unit may declare a Counter-Charge.

Gain Fury

Individual

Heart- The unit's ranged attacks and spells have the Piercing (1) special rule, or if the unit already has **seeking** Piercing, it is increased by 1.

Chant

Line of Sight Before being given an order, an individual may pivot to face any direction for

free. Individuals never block line of sight or offer cover against ranged attacks.

Move Individuals have the Nimble special rule.

Shooting Individuals may pivot to face any direction for free before picking a target in the

shooting phase. Enemies shooting against Individuals suffer an additionals -1 to hit modifier. Melee When charging an individual, a unit must make contact with the face that they started in as normal, however the Individual will turn to align flush with the unit's facing, rather than the unit aligning to the individual's facing. Enemies never double/treble their Attacks when fighting the individual. Similarly, the individual does not double/treble its own attacks when attacking an enemy in the flank/rear. It does still treble its attacks against war engines, however. If an individual is routed and the charger (including another individual) decides to advance D6" directly forward, it can make contact with another enemy unit. In melee, enemies treble their attacks when attacking War Engines with the Individual special rule.

Inspiring

If this unit, or any friendly non-allied unit within 6" of this unit, is Routed, the opponent must re-roll that Nerve test. The second result stands.

Lightning Bolt

Spell. Range 24". Piercing (1) – roll to damage as normal. When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+ instead of 4+.

Myrddin's Amulet of the Fireheart

Once per game, after using a ranged attack or spell, this unit may immediately use another different ranged attack or spell it possesses, against the same or a different target.

Nimble

The unit can make a single extra pivot of up to 90 degrees around its centre while executing any move order, including a Charge! It cannot make this extra pivot when ordered to Halt. In addition, the unit does not suffer from the -1 to hit modifier for moving and shooting. When Disordered by a unit in melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following turn.

Pathfinders The unit suffers no movement penalties for difficult terrain, simply treating it as open terrain. Pathfinder units are not Hindered for charging through difficult terrain.

Piercing

All ranged hits inflicted by the unit have a + (n) modifier when rolling to damage.

n(5+)

Regeneratio Every time this unit receives an order (including Halt!), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of 5+, the unit recovers a point of damage.

Stealthy

Enemies shooting against the unit suffer an additional -1 to hit modifier.

Strider

The unit never suffers the penalty for Hindered charges.

Throwing Weapons

Range 12"

Charge

Thunderous All melee hits inflicted by the unit have a + (n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any), however, the unit loses this bonus when Disordered and reduces this bonus by 1 when Hindered.

Very **Inspiring** This is the same as the Inspiring special rule, except that it has a range of 9". Any rule which affects Inspiring also affects Very Inspiring.

Vicious

Whenever the unit rolls to damage, it can reroll all dice that score a natural, unmodified 1.
