Total Core: 1650 (100%)

Total Units: 9

SPECIAL RULES AND SPELLS:

Bane Chant	Spell: Range 12", Friendly, CC - If one or more hits are scored, for the rest of the turn the unit gains <i>Crushing Strength</i> (+1). This effect only applies once - multiple castings on the same target have no additional effect.
Blessing of the Gods	The unit gains the <i>Elite</i> special rule.
Brew of Haste	This unit increases its Speed stat by +1.
Conjurer's Staff	Whenever the unit rolls to hit with non-unique spells, it can re-roll one of the dice that failed to hit.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Elite	Whenever the unit rolls to hit, it must re-roll all dice that score a natural, unmodified 1.
Ensnare	Melee attacks against the target unit's front suffer an additional -1 to hit.
Frostbite	This unit's Icy Breath spell has the Piercing (1) modifier.
Fury	While Wavering, this unit may still declare a Counter Charge.
Heal	Spell: 12", Friendly, Self, CC - For each hit, the target unit regains a point of damage that it previously suffered.
Icy Breath	Spell: 10", Enemy - Roll to damage the Enemy unit as normal. If one or more points of damage are dealt, the target Enemy unit is given the <i>Frozen</i> special rule.
Master of Ice	When targeting Friendly Core Frostbound units or Enemy units which have the <i>Frozen</i> special rule, this unit can reroll one of the dice that failed to hit with Bane Chant, Heal, Icy Breath, Wind Blast, Surge or Blizzard.
Mead of Madness	The unit gains the <i>Wild Charge</i> (+1) special rule.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt.
Pathfinder	The unit suffers no movement penalties for Difficult Terrain, simply treating it as Open Terrain in the Movement phase. <i>Pathfinder</i> units are not Hindered when making a Charge though Difficult Terrain.
Pipes of Terror	This unit gains the <i>Brutal</i> special rule.
Shambling	The unit cannot be given an At the Double Movement order, except when carrying out a <i>Scout</i> move.
Stealthy	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
Strider	This unit's Charge is not Hindered when charging through or ending its Charge on, Difficult Terrain or Obstacles.
Surge	Spell: 12", Friendly Shambling only - For each hit, the target unit moves straight forward a full inch (stopping just out of contact from Friendly units and Blocking Terrain). If applicable, the <i>Fly</i> special rule is not in effect for this movement. If this movement brings it into contact with an Enemy unit, treat this as a successful Charge against the enemy facing that has been contacted. However, the charged unit will not take any Nerve tests for any damage it might have taken in the previous Ranged phase. If, and only if, the surged unit contacts a corner of the Enemy unit and not the edge, determine which arc of the target unit the Leader Point of the surging unit is in before it moves and align to that side to attack. If two Enemy units are contacted at the same time, the attacking player may choose which unit is being charged. If the Surge move took the unit over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing combat as normal. This spell has no effect on units with Speed 0.
Very Inspiring	This is the same as the <i>Inspiring</i> special rule, except that it has a range of 9". Any rule that affects <i>Inspiring</i> also affects <i>Very Inspiring</i> Inspiring: If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
Vicious	Whenever the unit rolls to damage, it must reroll all dice that score a natural, unmodified 1.

Wild Charge

Models with this special rule may add (n) to their charge range. This is added after Sp is doubled. For instance, a unit with a Sp stat of 4 and *Wild Charge* (2) can Charge units up to 10" away.

In some instances, the (n) value may be a variable die roll (e.g. *Wild Charge* (D3)). In these cases, before issuing a Movement order to this unit, roll a D3. If this unit is then issued a Charge order, it may add the result in inches to its total Charge range.
