Spells: Heal (4), Weakness (3)										
Keywords: Verdant										

Total Unit Strength: 24  
Total Core: 2300 (100%)

Total Units: 15

## SPECIAL RULES AND SPELLS:

<b>Aura</b>	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself.
<b>Balance</b>	At the start of each of your Turns, you may choose for this unit to have either Cloak of Death or Radiance of Life.
<b>Brutal</b>	When testing the Nerve of an enemy unit in Melee with one or more of your units with this rule, add the highest <i>Brutal</i> (n) value to the total rolled. If no value is specified, the unit has Brutal (1). If an enemy unit is subject to both the <i>Brutal</i> and <i>Dread</i> special rules, the attacking player must choose which to use.
<b>Cloak of Death</b>	In the Movement phase, after the unit has completed its order, all Enemy units within 6" of this unit take an immediate point of damage. Units can only be damaged by a single source of <i>Cloak of Death</i> per Turn. No Nerve test is required for damage taken from a <i>Cloak of Death</i> .
<b>Crushing Strength</b>	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
<b>Fly</b>	The unit can move over anything and may pivot while above anything, as long as the flying unit's entire move ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it ends the move within or touching them. While Disordered, this unit cannot use the <i>Fly</i> special rule. In addition, if a unit with <i>Fly</i> also has the <i>Nimble</i> special rule, then the <i>Nimble</i> special rule is also lost while the unit is Disordered.
<b>Heal</b>	Spell: 12", Friendly, Self, CC - For each hit, the target unit regains a point of damage that it previously suffered.
<b>Individual</b>	See page 34 (page 30 in gamers edition)
<b>Inspiring</b>	If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
<b>Nimble</b>	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt.

<b>Pathfinder</b>	The unit suffers no movement penalties for Difficult Terrain, simply treating it as Open Terrain in the Movement phase. <i>Pathfinder</i> units are not Hindered when making a Charge though Difficult Terrain.
<b>Phalanx</b>	Units that Charge this unit's front cannot use the <i>Thunderous Charge</i> special rule. In addition, Cavalry, Large Cavalry and units with the <i>Fly</i> special rule that make an unhindered Charge against this unit's front suffer a -1 to hit modifier in the subsequent Melee.
<b>Regeneration</b>	Every time this unit receives a Movement order (including Halt), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
<b>Scout</b>	The unit can make a single At the Double or Advance order after set-up is finished but before the first Turn of the first Round begins. If moving At the Double as part of this order, the unit treats Obstacles and Difficult Terrain as Open Terrain during the <i>Scout</i> movement. If both armies have units with this rule, both players roll a single die each. The highest scorer decides who begins to move one of their Scout units first, then the players alternate until all Scout units have been moved. Players then roll to determine who takes the first Turn in Round one as normal.
<b>Shambling</b>	The unit cannot be given an At the Double Movement order, except when carrying out a <i>Scout</i> move.
<b>Steady Aim</b>	The unit does not suffer from the -1 Moving modifier when making Ranged attacks.
<b>Stealthy</b>	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
<b>Strider</b>	This unit's Charge is not Hindered when charging through or ending its Charge on, Difficult Terrain or Obstacles.
<b>Surge</b>	Spell: 12", Friendly Shambling only - For each hit, the target unit moves straight forward a full inch (stopping just out of contact from Friendly units and Blocking Terrain). If applicable, the <i>Fly</i> special rule is not in effect for this movement. If this movement brings it into contact with an Enemy unit, treat this as a successful Charge against the enemy facing that has been contacted. However, the charged unit will not take any Nerve tests for any damage it might have taken in the previous Ranged phase. If, and only if, the surged unit contacts a corner of the Enemy unit and not the edge, determine which arc of the target unit the Leader Point of the surging unit is in before it moves and align to that side to attack. If two Enemy units are contacted at the same time, the attacking player may choose which unit is being charged. If the Surge move took the unit over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing combat as normal. This spell has no effect on units with Speed 0.
<b>Thunderous Charge</b>	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's <i>Crushing Strength</i> (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).
<b>Vicious</b>	Whenever the unit rolls to damage, it must reroll all dice that score a natural, unmodified 1.
<b>Weakness</b>	Spell: 24", Instead of causing damage, if one or more hits are scored, the target unit has a -1 modifier when rolling to damage enemy units during their next turn (any rolls the unit makes of a natural six will still cause damage, however). This effect only applies once - multiple castings on the same target have no effect.
