Total Unit Strength: 18
Total Core: 1990 (99.7%)

Total Units: 12

SPECIAL RULES AND SPELLS:

Blast	If the unit's attack hits the target, the target suffers a number of hits equal to the number in brackets, rather than a single hit. Once this is done, roll damage as normal for all of this hits caused.
Casket of the Damned	The souls of the damned are released from their prison to drive the unit towards its foe. Mark a unit that has a casket with an appropriate model. Once per game, when this unit is targetted by a Surge spell, you may roll an additional 6 dice which count towards the total Surge result. This must be declared before rolling any dice for the spell. Remove any model used to represent the casket once it has been used.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Drain Life	Spell: 6", Enemy, CC - Roll to damage as normal. If one or more points of damage are scored, choose either the caster or a single Friendly Core unit within 6" of the caster. Remove one point of damage from the chosen unit for each point of damage dealt to the target. If this is cast into Melee, the target will not take a Nerve test at the end of the Ranged phase. Modifier: <i>Piercing(1)</i>
Glory for the Mighty Dead	After casting Heal on a friendly core unit, this unit may immediately cast Surge against the same target.
Glory of the Accursed	For each other Friendly Core Skeleton unit within 6", you may re-roll one die that failed to hit with Heal, and Surge, up to a maximum of two re-rolls.
Heal	Spell: 12", Friendly, Self, CC - For each hit, the target unit regains a point of damage that it previously suffered.
Ignore Cover	The firing unit only suffers cover penalties for units that have at least half their base within Difficult Terrain. Note that the firing unit still needs to have Line of Sight to the target to fire at it.
Indirect	The unit cannot make Ranged attacks on targets that are within 12"
Individual	See page 34 (page 30 in gamers edition)
Inspiring	If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
Lifeleech	When this unit completes its to-hit and to-damage rolls in Melee combat, it regains one point of damage it has previously suffered for every point of damage it causes on the enemy unit, up to a maximum of n. <i>Lifeleech</i> has a maximum total of 3.

Monolith	As long as this unit is alive and in play on the table, at the start of each of your ranged phases you may immediately cast Surge (8) on a single Friendly Core unit anywhere within 24" of this unit regardless of line of sight. Note: The Monolith cannot be disordered and its Base size cannot be increased beyond 75x75mm.
Piercing	All hits caused by Ranged attacks with this rule from this unit have a +(n) modifier when rolling to damage.
Reanimator	For each other Friendly Core Skeleton unit within 6", you may re-roll one dice that failed to hit with Drain Life, Fireball, Heal, Hex, Surge, Weakness and Wind Blast to a maximum of two re-rolls.
Regeneration	Every time this unit receives a Movement order (including Halt), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
Reload	The unit can only make ranged attacks if it received a Halt order in its previous Movement phase.
Shambling	The unit cannot be given an At the Double Movement order, except when carrying out a <i>Scout</i> move.
Slayer	When attacking an enemy unit with the Large Infantry, Monstrous Infantry, Large Cavalry, Monster or Titan unit types, a unit with this Special Rule gains (n) additional attacks.
Soul Snare	This unit's Drain Life spell has a Range of 18". You may also target friendly units within 12" instead of 6" for its damage removal component.
Stealthy	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
Strider	This unit's Charge is not Hindered when charging through or ending its Charge on, Difficult Terrain or Obstacles.
Surge	Spell: 12", Friendly Shambling only - For each hit, the target unit moves straight forward a full inch (stopping just out of contact from Friendly units and Blocking Terrain). If applicable, the <i>Fly</i> special rule is not in effect for this movement. If this movement brings it into contact with an Enemy unit, treat this as a successful Charge against the enemy facing that has been contacted. However, the charged unit will not take any Nerve tests for any damage it might have taken in the previous Ranged phase. If, and only if, the surged unit contacts a corner of the Enemy unit and not the edge, determine which arc of the target unit the Leader Point of the surging unit is in before it moves and align to that side to attack. If two Enemy units are contacted at the same time, the attacking player may choose which unit is being charged. If the Surge move took the unit over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing combat as normal. This spell has no effect on units with Speed 0.
Tome of Darkness	The unit gains the Surge (5) spell, or if the unit already has a Surge spell, its value is increased by 3.
Unholy Flames	Whenever the unit rolls to damage with its Balefire attack, it can re-roll D3 of the dice that failed to damage.
Very Inspiring	This is the same as the <i>Inspiring</i> special rule, except that it has a range of 9". Any rule that affects <i>Inspiring</i> also affects <i>Very Inspiring</i> Inspiring: If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
