Total Units: 11 **Total Unit Strength:** 23
Total Points: 2300

Command Order	Target	Description
Tenacity!	3	The unit may re-roll a single failed to hit roll in Combat this Turn. It cannot be used to re-roll a dice for an attack that has the Blast special rule.
Tactical Retreat!	4	If the unit performs a Back! order, it may move up to its Sp value, but may not make any pivots. This order may not be issued to a unit carrying a Loot Counter.
Fleshknit	4	Units with the Regeneration special rule only. The unit gains Regeneration (+1).
Hellfire	4	The unit gains the Fireball (n+2) ranged spell attack this Turn, where n is the number of successful dice rolled to issue this order.
Blessing of the Dark Gods	5	Units charging this Turn only. The unit gains the Elite (Combat) and Vicious (Combat) special rules. However, if the unit attacks in Combat this Turn, before it rolls any dice, it takes (nD3)+2 damage, where n is the number of successful dice rolled to issue this order. Damage suffered in this way does

		not cause a Nerve test.
Ultimate Betrayal	5	Units with the Upper Circle Trait only. Until the start of its next Turn, an enemy unit that attacks this unit in Combat, uses the Me, and Crushing Strength values of this unit. Any magical artefacts the enemy unit has are still applied after the stats are changed. Only one enemy unit can be affected in this way, with the attacking player choosing which unit before any dice are rolled for the Combat.

Special Rule	Description
Crushing Strength (n)	All hits caused by attacks from this unit in Combat have a (+n) modifier when rolling to damage. For example: when rolling to damage in Combat with an attack that has Crushing Strength (1),a roll of 4 would become a roll of 5.
Demonic Will	The Abyssal Warlord may issue Command Orders up to 15”
Fearless	When taking Nerve tests, this unit treats Wavering as Steady.
Individual	This rule is explained on page 42.
Inspiring	If this unit, or any friendly unit within 6” of this unit, suffers a Wavering or Rout result (including when attempting to Withdraw!),that Nerve test must be rerolled. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre-point while executing a Charge! order.
Piercing (n)	All hits caused by Ranged attacks from a unit or weapon with this special rule have a (+n) modifier when rolling to damage. For example: when rolling to damage with a Ranged attack that has Piercing (1),a roll of 4 would become a roll of 5.
Regeneration (n)	Once per Turn, immediately before resolving the unit’s Movement order, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
Retaliate!	If a unit starts its Turn Engaged with two or more enemy units, in the Combat Phase, it gains Crushing Strength (+1) on any attacks it allocates to one of those enemy units. A unit with this special rule can never be ordered to Withdraw!
Thunderous Charge (n)	If the unit has made a Charge! into Combat this Turn, all hits inflicted in Combat by this unit have a (+n) modifier when rolling to damage. This bonus is in addition to the unit’s Crushing Strength (if any). However, the unit loses this bonus when Hindered.
Very Inspiring	This is the same as the Inspiring special rule, except that it has a range of 9”. Any rule that affects Inspiring also affects Very Inspiring.
Vicious	Whenever the unit rolls to damage, it re-rolls all dice that score a natural, unmodified 1. Vicious may specify which phase it is limited to: e.g. Vicious (Combat) means the rule applies only in the Combat Phase.
Wild Charge (n)	Units with this special rule add (n) to their charge range. This is added after Sp is doubled. For example, a unit with a Sp stat of 4 and Wild Charge (2) can Charge units up to 10” away. In some instances, the (n) value may be a variable die roll (e.g. Wild Charge (D3)). In these cases, roll a separate D3 for the unit after issuing a Charge order to it. If the number rolled means that the target unit is not in range to complete the charge, your unit must be given a different order, but cannot select an alternative unit to Charge!
Yielding	Both friendly and enemy units can always choose to ignore this unit, just as if it was not there, when moving and shooting (even if Engaged with it). They must however still end their Movement Order clear of this unit. It is assumed that the Yielding unit moves aside and lets the enemy pass by before returning to its position. If your unit(s) Routs a Yielding unit and chooses to move Forward!, and this random movement would bring them into contact with another enemy unit, treat this as a successful Charge against the facing that your unit(s) started its Forward! move in (if possible, otherwise against the facing contacted). If the Forward! move took your unit(s) over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing Combat as normal.

Spell	Description
Bane Chant Range: 12" Friendly, CC	If any hits are scored, instead of causing damage, for the rest of the Turn the unit gains Crushing Strength (+1). This effect only applies once – multiple castings on the same target have no additional effect.
Barkskin Range: 12" Friendly, Self, CC	Instead of hitting on 4+, this spell rolls to hit on a result equal to the target’s Defence value (e.g. when targeting a Defence 5+ unit, the spell will hit on a 5+ before any other modifiers are applied). For each hit scored, instead of causing damage, place a Barkskin token on the target unit (use a different coloured die or suitable markers). Whenever a unit with one or more Barkskin tokens would suffer damage, it instead removes one Barkskin token per point of damage taken. Once all Barkskin tokens have been removed, excess damage is suffered by the unit as normal. Removing a Barkskin token does not count as taking damage for the purposes of requiring a Nerve test or other special rules. At the start of the caster’s following Turn, all remaining Barkskin tokens on the target unit are

removed from play.

Artefact	Description
Brew of Haste	This unit increases its Speed stat by +1.
Brew of Strength	The unit gains the Crushing Strength (+1) special rule.
Brew of Sharpness	The unit has a +1 to hit modifier with Combat attacks.
